## ABOUT FDP:

Accreditation of Educational institutions and Technical education programs by National and International Agencies is mandatory in the present scenario. The accreditation by NBA will help the Engineering Institutions and B-Schools to improve the quality of education and produce high-quality graduates. This FDP aims to help the faculties, HoDs and Principals of the institutions to achieve excellence through OBE practices.

## ABOUT INSTITUTE:

Govt. College of Engineering, Karad is a premier Autonomous Institute in Western Maharashtra established in 1960 due to the efforts of Late Shri. Yashawantrao Chavan. The College is affiliated to Shivaji University, Kolhapur and is acting as a vital education center for many years.

The institute offers five UG programs in Civil, Mechanical, Electrical, Information Technology and Electronics & Tele-communication Engineering, eight PG programs in Civil (Construction Management & Structural Engg.), Mechanical (Heat Power, Production Engg. & Design Engg.), Electrical Engineering (Power Systems), Computer Engg and Master of Computer Applications (MCA) and a recognized Research Centre of Shivaji University, Kolhapur. Institutes is selected as mentor institute for Rajkiya Engineering College, Azamgarh (UP). Government College of Engineering, Karad is best performing institute under TEQIP-III in the state of Maharashtra.

**[AICTE-MARGDARSHAN SCHEME ]**

## AICTE-MARGDARSHAN SCHEME:

AICTE has announced number of initiatives under its Quality Improvement Scheme for the year 2019-20. Share and Mentor (Margadarshan) is one of such schemes. The scheme envisages that a Hub 'n Spoke system is to be established by an Institute of repute as a Mentor within an existing facility to serve as the hub to and disperse knowledge to fifteen technical institutions to encourage best practices. The secondary branches, the spokes, are provided additional services for self-improvement of the faculty in general and overall improvement of the institute in particular. Eventually, the Hub 'n Spoke system will allow for inter hamlet information sharing, such as technical education, research and sharing of resources to the entire system.

## Objectives of the FDP:

To train the faculty members of mentee institutions in understanding & implementing Outcome Based Education philosophy and help them in preparing NBA-SAR (Self-Assessment Report) document for applying accreditation process.
